## 2023 Sponsorship Form

On behalf of the Northbridge Youth Softball League, I would like to extend an invitation to you and your company to become a sponsor for our 2023 softball season. The NYSL is an organization whose mission is to:

Operate as a non-profit organization focused on the growth, management and administration of the pre-scholastic softball experience for Northbridge girls, ages 4 through 17.

Promote athletic excellence, good sportsmanship and citizenship, fair play, fun, and a balance between individual and team achievement, all within the context of competitive softball.

It is support from community business leaders, like you, that has provided us the ability to support our league. Your generous sponsorship will help support kids that participate in NYSL and will provide your business with exposure to all of their friends and families. You will also have exposure on our league website and social media outlets. A banner with your business name will hang at the complex throughout the season (Spring, Summer and Fall)

If you decide to support our organization, please follow the directions on the attached form and return by January 31, 2023. We look forward to your continued support, and welcome feedback on areas of improvement for the Northbridge youth softball community. If you have any questions, you can email the league at [home@northbridgesoftball.com](mailto:home@northbridgesoftball.com).

Again, on behalf of the NYSL Board of Directors, we thank you for supporting our league.

### Sponsorship Options:

**Team Only Sponsorship:** Cost **\$400.00** / Season (Check payable to NYSL)

This provides a team with uniforms that will bear your business/company name. At this sponsorship level, your company will receive a sponsor plaque with a team photo to display. As an additional thank you, your company logo and a link to your company's website will appear on [www.northbridgesoftball.com](http://www.northbridgesoftball.com)

**Yes, I would like a sign and plaque, in addition to my team sponsorship (Total cost: \$400.00)**
